**INSTRUCTIONS FOR COMPLETING
INCOME AND EXPENSE SURVEY FORM
INDUSTRIAL/FLEX**

The following instructions are provided to aid you in filling out this survey form. If you have any questions, please call this office at (703) 324-4802.

A. General Information

1. Please provide the property name, year built and any addition years.
2. Please provide the type of property (office, retail, etc), # of elevators and # of stories.
3. Please provide the address of the property.
4. Please provide the 'Trading as' name reported on your business license. Do you have owner occupied space in the building and if so please provide the amount of square feet you occupy.
5. Please provide the total building area of the property including basement and mezzanine space but not parking space.
6. Please provide the total leasable area of the property.
7. Please provide the total basement area of the property. Provide the finished, unfinished and parking area too.
8. Please provide the total number of parking spaces.
9. Please provide the total reserved/rental parking spaces.
10. Please identify any tenants that will be leaving the property earlier than their contracted lease expiration date. Please identify the means by which they are vacating the premises: early exit clauses, lease buyouts, bankruptcy court orders; having simply given notice that they are leaving early but will still be paying the rent.

B. Debt Service Information

Please provide information in regard to any loan placed on this property within the last five years. Please include any new loans or refinancing of original debt. This information is requested to study the financing trends for this property type to determine typical debt coverage ratios. By obtaining this information we may also be able to see if your particular property is unusual in its financial arrangements.

C. Capital Improvements, Renovations, Deferred Maintenance

1. Capital expenditures are investments in remodeling or replacements that materially add to the value of the property, or appreciably prolong its economic life. Generally, expenditures on materials or equipment with a life of more than one year should be considered capital and included here. If this section applies to your property, please answer yes and list on an attached sheet the items considered to be capital improvements. Enter the total amount of the capital cost for this reporting period only. For each line enter a description of the improvements, the total cost and the life of the improvements in years. The life of the improvements is the number of years the improvement will last, or the number of years over which it will be amortized. This section helps to compile maintenance expenses data for each property type.
2. Deferred Maintenance items should include major building components which are currently needing repair. If this property has such needed maintenance, please include an itemized listing of the individual items, along with repair cost estimates.
3. Leasing Commission costs should include the total leasing commissions paid by the landlord for the reporting period.
4. Tenant Improvement costs should include the total cost of the tenant refit paid by the landlord for the reporting period.
5. New Construction – Attach most recent AIA G702 and G703 documents to include all hard and soft costs.

Property Name	Tax Map ID	Element No.	Property Type

D. Market Rent, Vacancy, and Tenant Improvement Allowance Information

1. Please provide the amount of vacant space, in square feet, available for lease on January 1 of the current year.
2. Please provide the amount of vacant space, in square feet, available for lease on January 1 of the previous year.
3. Please provide the estimated income loss due to the vacancy reported in question 1 and 2 above.
4. Please provide the actual income loss from collection, or bad debts.
5. For the vacant space listed in question 1, please provide the current asking rent for this space. Please state whether asking rent is Full Service. If not Full Service, state what services are not included.

E. Annual Income

Please enter the period covered by this income and expense statement. Please enter round numbers, no decimals.

1. **Primary rental income** – Enter the actual income from rental space. This is actual gross rent received from the property.
2. **Sales of utilities** – Income from the sale of utilities and services in addition to actual rent income. Usually these are cost reimbursements by the tenants over and above the base rent.
3. **Common area maintenance reimbursement** – Total income received from tenants for their share of the common area maintenance.
4. **Interest income** – Income of this property from interest earned on capital improvement accounts, reserve accounts, monthly management operating accounts, and bank deposits including CD's and treasury notes.
5. **Insurance reimbursement** – Monies paid to owner for insurance claims.
6. **Operating expense reimbursement** – Income to the property from the tenants' prorata share of the operating expenses (pass-throughs), usually above a base amount or expense stop as specified in the terms of the lease.
7. **Real estate tax reimbursement** – Income to the property from the tenants' prorata share of the real estate taxes (pass-throughs), usually above a base amount or tax stop as specified in the terms of the lease.
8. **Other rental income (specify)** – Rental income for any specially designated space which is not covered by the categories listed above. Specify the type of space to which the income relates.
9. **Miscellaneous income (specify)** – Any additional income received not covered in another category. Specify the type of source of income.
10. **Total actual income received** – Sum of above income.

F. Annual Operating Expenses

These are expenses necessary to maintain the production of income from operation of the property. **Do not include under any expense category items such as ground rent, mortgage interest or amortization, depreciation, personal property tax, income taxes, or capital expenditures.** These are not operating expenses. Capital expenditures include investments in remodeling, or replacements which materially add to the value of the property or appreciably prolong its life. Capital expenditures are requested in Section E. Please include here all other expenses to the property, including those reimbursed by the tenants.
